act as joint controllers **in relation to the joint management of the shared Website and App ("Website/App")** referred to in Measure 5 of Resolution No. 132/2024 of the Italian Transport Regulation Authority (Autorità di Regolazione dei Trasporti – ART).

The joint processing activities include:

- a) the processing of browsing data generated through the use of the digital services available via the Website/App, including traffic information, motorway mobility services, ancillary services (where applicable), notifications and similar services;
- b) the preparation of statistical analyses, reporting and monitoring of the performance of the Website/App, including for the purposes of service improvement and compliance with obligations towards the Italian Transport Regulation Authority (ART).

The parties have entered into an internal arrangement defining their respective responsibilities for ensuring compliance with the GDPR.

Data subjects may contact the Single Point of Contact at privacy@flowais.it. Nothing in this arrangement affects the right of data subjects to exercise the rights provided for under Articles 15 to 22 of the GDPR in respect of and against each of the joint controllers.
